... just as Christ was raised from the dead through the glory of the Father, we too may live a new life. ROMANS 6:4

**“That’s good!”** he said, and started to clap. The little boy in the Tuesday nursery class had just really heard about Jesus’ resurrection. I was telling the class the events of Holy Week with the arrest, the beatings, the crown of thorns, the nails on the cross and the burial in the tomb. I told them that the women came to the tomb early that first Easter morning and were surprised that Jesus was not there. The angels told them the great news... “Jesus is alive.” That’s when the little boy in front of me started to clap and said with such enthusiasm and innocence, “That’s good!” And you know what happened then... we all giggled and joined clapping with him.

It is good news...great news! And, it’s contagious! Sin and death are very real things. We know that from our own lives and from the world around us. But just as real as sin and death, is the life of Christ. In fact, since Jesus is living right now, sin and death can no longer hold us. That is the good news of salvation.

Jesus stretched out his arms on the cross and showed that he loves us “this much!” Our sins were His. Our suffering was His. And our forgiveness came through His death. His tears become our joy. His wounds...our health. His death...our life. **“THAT’S GOOD!”**

Happy Easter! -Pastor Clark

+ + +

ALFIO IN CONCERT features powerful renditions of adored favorites from Sinatra's 'My Way' to Bocelli's 'Con Te Partiró.' A gifted songwriter, ALFIO performs a selection of original compositions including fan

favorite 'After Love.' As he takes the U.S. by storm, ALFIO proves himself as one of the greatest voices in contemporary music today.

### Some reviews...

**WHAT A POWERHOUSE VOICE!** *Simply amazing! The song selection is great, there is something for everyone, from Alfio's originals, to his rendition of songs previously performed by Bocelli, Elvis, Sinatra and even John Denver's 'Annie's Song'. Along with his beautiful voice, he is highly entertaining.*

**ALFIO IS INCREDIBLE!** *He has it all...not only is he the voice of love, he will also put a smile on your face! I have every CD he has released and each one gets better and better and I would think that is nearly impossible because they are all so GREAT! You will feel his music in your soul...*

**ALFIO IS AN AMAZING PERFORMER!** *His voice is so powerful and he is charismatic! He is very entertaining! My family is Italian and they loved this DVD! We have seen him perform 3 times in person and if you ever get an opportunity to see him sing live it is well worth it!*
