Come down and have some fun!

"The steadfast love of the Lord never ceases; his mercies never come to an end; they are new every morning; great is your faithfulness." Lamentations 3: 22,23

The other day I did something out of the ordinary and it was WONDERFUL!! I watched the sun rise. On ordinary days I get up at about 6-630am. Then, the day follows as anticipated. There are few surprises.

This day was special. I watched the sun gently push back the darkness and it's glorious rays burn away the blackness into blue. I was reminded of the sheer gift of the day.

How seldom we notice this. Typically we measure our lives by years. They seem to be so few. Counting sunrises we are gifted with abundance. In a lifespan of 80 years, one is gifted with almost 30,000 sunrises. I am over 26,000 sunrises old. I am ashamed to say that I have been quite ungrateful for the majority of these days. But the sheer grace of God gives us an abundance of new mornings to be lived, sunrise upon sunrise.

That day continued as scheduled. There were still appointments to keep, etc. But that sunrise made the day different. God's grace surrounds us. Maybe God's grace comes to you in a flower bloom, a kitten purr or a child's grin. Whatever moment of grace is yours today, let us praise God for his wonderful creation and his gift of life. May your summer bring you many "grace-filled" moments!
