THE FINEST HOURS

THE FINEST HOURS

In February of 1952, one of the worst storms to ever hit the East Coast struck New England, damaging an oil tanker off the coast of Cape Cod and literally ripping it in half. On a small lifeboat faced with frigid temperatures and 70-foot high waves, four members of the Coast Guard set out to rescue the more than 30 stranded sailors trapped aboard the rapidly-sinking vessel.

“Remember the Sabbath day by keeping it holy.”

-Exodus 20:8

The Sabbath is a day set aside for rest and worship. Summertime is a great time to think about the Sabbath. God created heaven and earth, and on the 7th day, God rested... **God rested**, and God thinks we should, too... so much so, that keeping the Sabbath made it into the Ten Commandments. If God rested, then perhaps we should rest.

Sabbath is about stewardship (management), the stewardship of ourselves, our mental and physical, emotional and spiritual well-being. Sabbath allows us to step away from distractions, particularly distractions that can become false idols, and instead, focus our attention on our relationship with God and the gifts of this life that God has given us, such as our families, friends, creation.

Summertime ... a time for rest ... for being faithful stewards of ourselves and acknowledging the gifts God has given us. Let's help each other honor the gift...and commandment... of the Sabbath.

God's peace be with you, Pastor Clark

SINGIN' IN THE RAIN (DVD –MOVIE)

**THURSDAY, JUNE 30th at
9:30am IN THE LOUNGE**

Gene Kelly, Donald O'Connor and Debbie Reynolds in a 50th-anniversary newly remastered Special Edition of the best-loved Hollywood musical ever-filled with memorable songs, lavish routines and Kelly's fabulous song-and-dance number performed in the rain.

Silent movies are giving way to Talking Pictures - and a hooper-turned-matinee idol (Gene Kelly) is caught in that bumpy transition, as are his buddy (Donald O'Connor),

prospective ladylove (Debbie Reynolds) and shrewish costar (Jean Hagen). Rediscover the musical masterwork, "Singin' In The Rain", with a downpour of celebratory special features that salute not just this all-time favorite but also the musical legacy of its producer, songwriter Arthur Freed.

This is what people are saying...

"One of the best musical films ever" "On oldie but a goodie!"

"Five Stars" "Incredible dancing" "Great movie... Loved!!!"

"An incredible classic film"

JOIN US IN THE LOUNGE AT 9:30 am on Thursday, June 30th for this incredible movie and , of course, refreshments!!
