Window Candles

It is a custom at Lutheran Manor to light a candle in every window during the holiday season. A single **CLEAR** candle in each window looks lovely and is a warm welcome to all who are traveling on the highway. This is our way of saying "Welcome to Bethlehem, The Christmas City".

Traditionally, candles are lit the first Sunday in Advent. So, please light your candles on Sunday, December 2nd. Enjoy the holidays.

Harvest Home

Help us stamp our hunger in our community. We will hold our annual "Harvest Home" celebration at the weekly worship service on Thursday, November 15.

As we offer our thanks during this holiday time, we turn our thought to those less fortunate. Each year, we hold this "Harvest Home" event so that we may share our blessings with others. We ask that you bring non-perishable foods such as canned soups, vegetables, cereals, pasta, etc. Any items will be truly appreciated.

Please only bring unopened items and check expiration dates. Do not bring outdated items, they will be thrown out. Cash donations will also be accepted. You can bring your donations to the lounge from 10 a.m. to 2 p.m.

After the worship service, these items will be packed and taken to a local food bank to be distributed to those in need.

Please share the joy of Thanksgiving with those in need. Your generosity will not only be a blessing to others but you will be blessed as well.

A Note from the Assistant Property Manager...

seasons
greetings

November already! I always liked November because I knew it was the start of the holiday season and then the winter months. Having grown up in an Italian family, Thanksgiving always meant antipasto, escarole soup, lasagna, turkey with stuffing and veggies, coffee, dessert and finally, fruits and nuts. And of course everything was left out on the counter for whoever would be stopping by to visit later on or just in case you might get a little bit hungry and needed a snack.

My Dad was the type of person who was always bringing people home for dinner... you know those colorful characters. So there were always a few interesting guests joining us. Funny how they would come in as strangers but left as friends. Anyone was welcomed...in-laws, outlaws, whoever! And so often those new friends would stay in our lives forever and when you least expected there they would be again with a story to share and a hand to lend. As a kid growing up, I never thought much about it because it was just life....but what a great lesson on life. How often do we really look around and appreciate all that we have and the differences that we may share? As I got older, not a word needed to be said... it kind of put things in perspective. We had and have so much to be thankful for...family, friends, food, hot water, a warm bed! The list can go on and on.

So as I approach the holiday season, again I take a look around at all that I have to be thankful for...a wonderful family, a great job, and so many new friends. Some of us walk gracefully, others glide with ease and skis, while some just cruise along on a scooter. This is our Lutheran Manor family. I am thankful for each and every one of you. You all have a story to tell and an opportunity to make a difference...and in those differences we come together to help each other, appreciate our differences, and to live together. May you all have a Happy Thanksgiving !!!

As for the winter months, you know that means wet leaves, cold weather, icy patches, snow storms and messy roads. So there are precautions you need to think about...Stack up on non-perishable items like canned tuna or chicken, peanut butter and jelly, crackers and a manual can opener. Walk and drive carefully, dress appropriately for the weather, and don't forget if you have a car here it is your responsibility to shovel the snow onto the grassy areas. And do not go out if you do not have to. Be Safe !!!

Important Van Trip Correction...

It was brought to my attention that the Spaghetti Night at Tri-Boro is only held on the 2nd Thursday of the month, therefore we must change the **Spaghetti night at Tri-Boro** to Thursday, November 8th. We will travel to the **Dewey Fire Hall for Bingo** on Thursday, November 15th as they have Bingo there every Thursday. If you signed up for either or both of these trips, please make the correction. If you have any questions or cannot go on the new dates, please call Debbie at 610-866-6010 Ext. 202.

Thank You.

We celebrate Thanksgiving Day on November 22nd. It is a day to give thanks to God for all his blessings in our lives. Of course, thanksgiving is more than a day, it needs to be a continual attitude in our lives. This is an attitude that does not come naturally but rather needs to be developed with God's help. God's Spirit working in us is the source and strength of our attitude of gratitude...each and every day.

St. Paul reminds us "In everything give thanks..." (1 Thess. 5:18). Thanksgiving... not in some things, but in all things. We are called to thank God for...

- **Spiritual things** – Our faith in a God who loves us unconditionally!
- **Simple things** – Our families, health, food, and even a glass of water.
- **Sorrowful things** – Yes, even our heartaches, the pains, and the sufferings. Romans 8:28 says, "...All things work together for good..." That is, the thing itself is not good, but it is God who is working all things together for good.

Thankful people are happy people! One writer says it this way...*Gratitude unlocks the fullness of life. It turns what we have into enough, and more. It turns denial into acceptance, chaos to order, confusion to clarity. It can turn a meal into a feast, a house into a home, a stranger into a friend. Gratitude makes sense of our past, brings peace for today and creates a vision for tomorrow.*

An attitude of gratitude...it will change your life!

Happy Thanksgiving to you all.
