## HARVEST HOME

Help us stamp out hunger in our community. We will hold our annual “**Harvest Home**” celebration at the weekly worship service on **Thursday, November 19.**

As we offer our thanks during this holiday time, we turn our thoughts to those less fortunate. Each year, we hold this “Harvest Home” event so that we could share our blessings with others. We ask that you bring **non-perishable** foods such as canned soups, vegetables, cereal, pasta, etc. Any items will be truly appreciated. Please only bring unopened items and check expiration dates. **Do not bring outdated items, they will be thrown out.** Cash donations will also be accepted. You can bring your donations to the lounge from **10 a.m. to 2 p.m.**

After the worship service, these items will be packed and taken to a local food bank to be distributed to those in need.

Please share the joy of **Thanksgiving** with those in need. Your generosity will not only be a blessing to others but you will be blessed as well.

# Worship Service

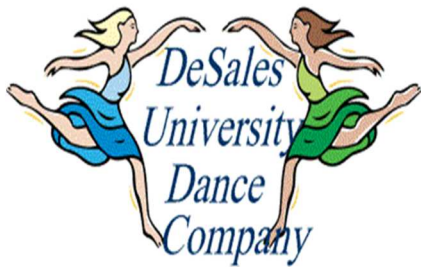

Once again it is time to schedule **Clergy** for our **2016** Thursday Worship services. Your help is needed. Be sure to tell them that our Worship Services are held on Thursdays at 2 p.m. If your pastor is interested, please complete the bottom of this notice and return it to **Pastor Clark** so he can contact your minister to set a date for next year's schedule.

## Listen ...for a change!

*“Morning by morning he wakens—wakens my ear to listen.”*

Isaiah 50:4 (NRSV)

Isaiah reminds us that prayer is a two-way communication. When we enter into our conversation with God, we bring our joys and our concerns. But we also open ourselves to receive what God has to say to us.

It has often been said that we do not pray to change God, but in order that we might be changed. Pastor David Lose writes that he understands that our prayers have more to “do with relationship than “outcomes.” We pray, that is, because it is a vital way of remaining in relationship, just as we may pour out our hearts to a friend, lover, or family member not in the expectation that they are necessarily going to *do* something about it but because we need someone to share with. And as we share all these things the relationship grows stronger. Prayer is about relationship.”

Perhaps the ear is connected to the heart; when God wakens one, the other is opened, too. With open ears and hearts, we can hear and feel God beside us at all times and in all places, and our ears and hearts will be filled with the wisdom and goodness of the Lord.

Pray... “Just do it!” *Pastor Clark*
