BINGO CALLER WANTED

Monday Night Bingo is a very popular event here at Lutheran Manor. As you know we are in need of a caller. If you enjoy this event or have an hour or so free on a Monday night it would be a fun way to volunteer your time and help out with this Resident function.

Please see Elaine in apt. #319.

A Moment from Mona...

I can't believe its April already! My daffodils are 6" high with buds just waiting for a couple of warm days so they can burst open! I love spring because that means the snow is gone and summer is right around the corner. Everything is waking up and starting to come back to life.

Things are new and life is exciting. Warm weather brings a renewed interest in life...enabling us to enjoy outdoor activities that must be put on hold during those long cold months of winter. As the days get warmer, take some time to walk outside, enjoy the fresh air, and get some exercise. If you like to garden, think about starting your seeds in our hot house and sign up for a garden spot.

Don't forget we will be starting the replacement of the hall carpets on April 15.th

Workers will be completing two floors each week. Also, construction of the lounge kitchen is well under way and progressing quickly.

Trips and events will be handled through our office until further notice. We thank-you in advance, for your patience as we transition to a new Service Coordinator.
