From the Chaplain

Acts 2:24

GOD RAISED HIM UP

loosing the pangs of death, because it was not possible for him to be held by it.

One Sunday before Easter, a Church School teacher asked her class “What is the meaning of Easter?” One pupil said: “Easter is when all the family gets together, eats turkey and sing about the pilgrims.” The teacher said, “No, that’s not it.” Then a second pupil responded: “Easter is when you decorate a pine tree and exchange gifts and sing lots of songs.” Again, the teacher had to say, “That’s not it.” A third pupil began: “Easter is when Jesus was put in a tomb and left for three days.” “He knows!” the teacher said to herself excitedly. But then the boy went on, “Then everybody gathers at the tomb and waits to see if Jesus comes out, and if He sees His shadow...

Easter celebrates the resurrection of Jesus from the dead and the promise of new life now and eternally. Yes, there is a joke...God's supreme joke over death and Satan. God had the last laugh...and always will! Happy Easter - may your spirit be as light as your laughter!
