From the Chaplain

ISOLATION IS DANGEROUS! STAY CONNECTED!

The weird thing about the pandemic and then recently a short bout with the smoke from the Canadian wildfires, were the warnings to "stay indoors, avoid close contact, wear masks, close your windows, and more". Yes, these are important reminders especially as we age with the higher risks. . .

But now we need to move on. Isolation leads to dread and paranoia. We need each other. We need contact with our fellow humanity to keep us sane. God created us for community (see Romans 12:16, John 15:12, 1 Peter 4:10, Ecclesiastes 4:9-10, Genesis 2:18 and lots more). Here at Lutheran Manor, we are blessed with a community that has so many opportunities to not only worship together, but also learn, exercise, shop, and have fun together. Sure, I like peace and my own space, but I need to get out and soak up the buzz of small talk. So come on, join the crowd. . . you'll be smarter and probably happier!

Blessings, -Pastor Clark

Bellezza Salon and Spa

Bellezza Salon & Spa

JULY SPECIALS - Perms: Special this Month \$5 Off

Important Tips and Facts of Perms:

1. Most perms last 3-4 months
2. If you take medication, the perm may not last as long.
3. To make your perm last long take good care of your hair and use the right products.
4. There are multiple different types of perms.
5. Perms depend on the size of the rollers used and how much processing time is given.
6. Larger rollers = looser waves and vice versa.

Ask your stylist for their professional opinion on how to take care of your hair after you get a perm.

Be careful with what products you use because some shampoos can strip the curls out. Use a gentle shampoo and conditioner.

Once a week is preferred for using shampoo and conditioner.

We are also no longer displaying consignment products.

Thank you!
