From the Chaplain

DEATH....

We will all die.

No one likes to think about death...especially their own death. However, if we don't think about it now,

someone else will have to think about it later. You and I can help those family members or friends who will be taking care of our funerals by making decisions about our preferences while we are still able. While it may sound odd, many people find it a very comforting conversation to have with their

loved ones. To indicate why particular scriptural passages are meaningful to you can open a wide door to your faith. To share your favorite hymns and witness to what you believe can be a great source of hope.

Pre-planning will be a gift to those you love and an asset as they try to fulfill your final wishes. And while the last day will come for each of us, we remain faithful with the words of Paul in his letter to the Romans:

"If we live, we live for the Lord; and if we die, we die for the Lord. So, whether we live or die, we belong to the Lord." (Romans 14:8).

-Blessings, Pastor Clark

SYNOPSIS

It's 1781 and Antonio Salieri is the competent court composer to Emperor Joseph II. When Mozart arrives at court, Salieri is horrified to discover that the godlike musical gifts he desires for himself have been bestowed on a bawdy, impish jokester.

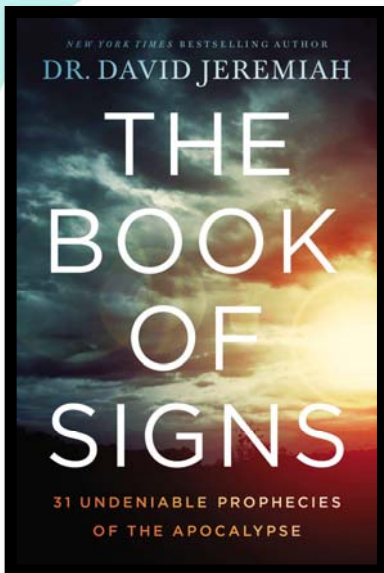

Mad with envy, he plots to destroy Mozart by any means. Perhaps even murder...

Considered one of the best films of all time, Amadeus was nominated for 53 awards and received 40, which included eight Academy Awards (including Best Picture).

It is approximately 180 minutes and has a R rating (for brief nudity).

**A truly rich man
is one whose children
run into his arms
when his hands are empty.**

Filled with engaging illustrations and practical application, *The Book of Signs* is a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God's promises for the future.
