From the Chaplain

Jesus' words in Matthew 5:13 land with such a quiet force: "You are the salt of the earth". He is speaking to his followers, ordinary people in a anxious world, like ours. "You are salt!" In the ancient world salt, which flavors & preserves food, was very valuable, very important for life. Workers' wages were often paid in salt. Someone said, "It was like holding gold in your hand." Jesus' words were not so much a compliment as a calling.

In the world where compassion can sour into suspicion, truth can be traded for whatever keeps us comfortable, and people are reduced to labels, Jesus reminds His disciples of our calling. Don't lose your "saltiness." Jesus calls you salt because your presence matters. Your faithfulness matters. Your courage expressed as love, matters. You are salt! Being a disciple is about more than just believing... It's about doing. It's about BEING.
