Everything has become NEW!"

2 Corinthians 5:17

It is May, the month we honor our Mothers and on Memorial Day remember and honor the men and women who served in the Armed Forces and gave their lives for the cause of peace.

The month of May feels like a gateway to summer. Thank God for our seasons here in the Northeast. I know, we're all tired from this past Winter's cold and snow, and happy to see the shift to warmer weather. Of course when it gets really hot I'll be looking forward to the Fall and a break from the heat.

This doesn't mean, however, that I can't be happy and fulfilled in the moment. After all, this present moment, is the only moment we can be sure of. Past moments are gone, and the next moment isn't here yet. So here we are!

This present moment is the one we can use to say, "I love you," to a friend or family member. This present moment is the one we can use to call up a friend to say hello or invite them to lunch. This present moment is one in which we can pause to pray, write a letter, memorize a poem, read a good book, or take a walk in the sun.

This month I am especially grateful for spring and the signs of rebirth all around me. Such a time of hope! For me it is all God's gift, so that we can be gift for each other. We are God's blessing, a blessing to be shared in this world. So, may the blessings of spring and God's gift of rebirth be with you!

Blessings, Pastor Clark

Violinist Andre Rieu and his orchestra perform a program of light classical favorites and beloved pop tunes in this concert video, recorded in the idyllic setting of the Waldbühne Amphitheater, a beautiful open-air amphitheater in Berlin surrounded by gardens.

Andre Rieu: La Vie Est Belle includes the songs “Bolero,” “Amazing Grace,” “Lara's Theme,” “You Are My Heart's Delight,” and more.

It is always an enjoyable hour as we watch and listen to this splendid performer/musician and his talented orchestra.
