From the Chaplain

“Pastor Clark”, the elderly woman said, “Do you remember me?” I stared at her, sort-of familiar face & my brain cried, “Oh boy, this is about to get awkward.” As much as I would like to remember everyone’s name & story, I can’t. And admittedly, my forgetfulness seems to be increasing with every birthday. Are you like me?

Sometimes, remembering is hard! Even with God! One of the most repeated commands in the Bible is “Remember.” Moses once told Israel, “Be careful you do not forget the Lord” (Deuteronomy 6:12).

We are a forgetful people! This is why your spiritual habits are so important. Your weekly church worship, daily devotions, Christian community activities may speak of things you already know, but these habits are God's way of helping you remember. Remembering can be hard. But Jesus is worth remembering!

~Pastor Clark
