# From the Chaplain

Genesis 1:27 "So God created humankind in his image, in the image of God he created them; male and female he created them."

Just a word to acknowledge and say thank you to all women as we celebrate another Mother's Day. Whether you're a traditional mother, grandmother, aunt, sister, teacher, or dear friend, each of you are unique, fearfully, and wonderfully made. Thank you for your tremendous spiritual influence on the children around you. May God bless each of you as you continue to grow in faith, hope and love.. Praying God's peace on you and hoping you enjoy a wonderful Mother's Day.

*Thank you! Many Blessings - Pastor Clark*

### WAXING INFORMATION:

In addition to removing unwanted hair, waxing takes off the top layer of dead, dry skin to reveal the smoother, more supple skin underneath. The layer of new skin also has a more even tone. Hair grows back softer for shaving. Some people might have a slight discomfort during the process and may get a slight rash or redness but that will disappear by the following day.

### HOW OFTEN SHOULD YOU WAX?

It is recommended to wax the same area every 3-5 weeks to keep a clean, smooth look. When done correctly, waxing will thin out the hair follicles which makes it easier for removal at your next appointment.

### WAXING AFTERCARE:

Avoid applying lotions, creams, and makeup on the day of your appointment because it can irritate the skin.

Contact 610-866-6010 x209 to schedule an appointment
