# From the Chaplain

**November** is the month of Thanksgiving, a favorite Holiday for many people. There are opportunities for getting together with family and friends & of course the start of the Christmas Holiday season.

**Another** reason Thanksgiving is so special is that it is the only Holiday that is about expressing gratitude for the many blessings and gifts from God, which we tend to take for granted. Thanksgiving is a yearly reminder to reassess our values and to consider what truly matters in life. It encourages us to live with grateful and generous hearts and to share God's abundance with those who are less fortunate than us.

**Thanksgiving** is really **Thanks-living**.  
May you be blessed with a grateful heart!

*~Pastor Clark*
