Move It With Mike

National Depression Awareness Month

As we age, it's easy to brush off low moods or low energy as "just part of getting older"- but that's not always the case, and it doesn't have to be. Depression is real, it's common, and most importantly, it's manageable.

The best part? Some of the most effective mood-boosters are things we already love doing here- staying active, laughing with friends, or simply spending time with neighbors. Movement and connection are powerful tools, and every step (literally!) counts toward feeling brighter.

This month, let's check in on each other- A friendly hello, an invite to class, or just asking "how are you, really?" make a bigger difference than you think. And if you're the one who's struggling, know that reaching out is a sign of strength.

Let's take care of each other — one smile, one walk, one class at a time.

Fall Flavors

Fall brings some of the season's best flavors & plenty of nutrition.

Add to your plate this month:

- **Pumpkin**- packed with fiber & VitA, great in soups or roasted
- **Squash (acorn, butternut)**- rich in potassium, supports heart health & healthy blood pressure
- **Apples**- fiber-filled, satisfying snack baked with a sprinkle of cinnamon
- **Sweet potatoes**- loaded with VitC & antioxidants, easy to roast or mash
- **Brussels sprouts**- full of VitK & fiber, delicious roasted with olive oil

Eating with the season is a simple way to enjoy fresh flavors while supporting energy, digestion, & overall wellness.

FALL INTO FITNESS

As the seasons change, it's the perfect time to shake up your routine and try something new. Check out one of our fitness classes this fall:

- **Tai Chi / Qi Gong**
- **Midday Balance & Fitness**
- **Chair Fitness**
- **Zumba**
- **Circuit Strength**
- **Weekend Flow**
- **Fit Foundations**

Every class is a chance to build strength, boost your mood, and connect with familiar faces. Don't let the falling leaves be the only thing moving this season- *Fall into fitness with us today!*
